EMTEC appoints four board members

Dayton Business Journal - 11:25 AM EDT Thursday

Edison Materials Technology Center has named four new board members.

Joining the center's board are:

- Larry Dossler, president of [Mound Laser & Photonics Center Inc.](#) in Miamisburg;
- Martin Abraham, professor of chemical and environmental engineering and dean of graduate students at the [University of Toledo](#);
- Dorothy Air, associate senior vice president for entrepreneurial affairs at the [University of Cincinnati](#); and
- Joseph Saliba, dean of the school of engineering at the [University of Dayton](#).

EMTEC is a Kettering-based non-profit that develops business and technology strategies through collaborative projects to help get new technology to market.
